

Corporate Sponsorship - Get Involved!

How your business can get involved

There are a number of ways businesses can get involved and support Blackpool Tiggers as a one-off or as part of a longer-term partnership. We have experience in maximising companies fundraising ideas and will provide you with information and supporting materials, you require.

So how could your organisation help?

- * Choose Blackpool Tiggers as your 'Charity of the Year'
 - * Make a tax-effective donation
 - * Fund a specialist facility or piece of equipment that will change lives
 - * Donate shares - a tax effective way of support
 - * Sponsor or attend corporate events
 - * Arrange for a trampoline session for your staff to get their energy levels released and increase awareness
 - * Gain access to our wealth of expertise by engaging with us to deliver bespoke training for your staff concerning disability awareness and the Disability Discrimination Act explained!
 - * Provide a Gift in Kind, from design and print support to products or equipment.
 - * And as an employee: Take part in our community and events programme, encourage volunteering, consider seconding staff for a development opportunity
 - * Help publicise our events Diary
 - * Offer a Payroll Giving Scheme (Give as You Earn) to employees and consider a corporate matching scheme to supplement the overall donation.
- Payroll Giving Scheme
