-=Volunteer Questions=-

I have been speaking to some volunteer coaches who only do coaching work with tiggers and they have asked to find out the news on wither Tiggers should pay for the coach membership. I was told that this was brought up a while ago and no news was said about it. This personally doesn't effect me till next year but I have to say I do think tiggers should pay the membership cost of the coaches that only do coaching work at tiggers and not else where, due to the fact a lot of the coaches that only do coaching at tiggers are generally quite young and currently paying a lot of money out to other areas in there life. Which means they might not have the money to pay for the membership renewal which means we might actual lose a lot of good coaches.

-=Outstanding Actions=-

1. Give out play scheme bags to volunteers who have yet to receive one,
2. Get ion contact with certain volunteers to find out what there doing.
3. Get Volunteer consent forms
4. Inform more volunteers at sessions about the Tesco Vouchers.
5. Get back in contact with Erik regarding travel expense forms.
6. Send birthday cards out. (If we have any)
